

Notes from the Choir

The choir has been dabbling in some new choral genres this year, including songs from the Sacred Harp tradition. Easter preparations are completed, but we're still singing! We are currently exploring a new sound with women's trio pieces. We'll also be focusing on August's big event—Homecoming! If you would like to sing with us, you are welcome and need to begin attending regular weekly rehearsals, Wednesday nights at 7:00. Please see Greg Walton, our director, if you have questions. We are thankful for our choir, pianist Melissa McEwen, and director!
